

Kansas Pharmacy FOUNDATION

"Promoting the welfare and integrity of the profession of pharmacy."

ABOUT US

Established in 1966, KPF is a non-profit charitable organization comprised of past Kansas Pharmacists Association presidents.

It enhances the pharmacy profession to improve public health outcomes through support of education, research, development and practice innovation.

KPF complements the activities of KPhA by generating funds, generating ideas and responding to requests on areas of mutual concern.

Donations to KPF can be given as an honor, memorial or charitable contribution. Through a memorial, family and friends can recognize the accomplishments of a departed loved one. An honor commemorates someone's birthday, anniversary, promotion or graduation.

Goals of KPF

- Encourage and assist the professional enrichment of pharmacists
- Encourage pharmacy public relations and consumer education
- Cooperate and support KPhA in areas of mutual interest
- Provide and maintain office facilities for Kansas pharmacy organizations
- Encourage and promote pharmacy education
- Improve and expand the quality and scope of pharmaceutical services by innovation and improvement
- Encourage programs which produce positive public attitude and self-esteem for pharmacists

Please send donations to KPF, 1020 SW Fairlawn Rd., Topeka, KS 66604 | visit www.ksrx.org | call 785-228-2327 | fax 785-228-2511

St: _____ Zip: _____

Email Address: _____

Phone Number of Card Holder: _____

Signature: _____

Thank you for your contribution.

Foundation Legacy Endowment Group (LEG)

Establishing a Kansas Pharmacy Legacy

What It Is

In the early 2000's, the Kansas Pharmacy Foundation (KPF) in collaboration with Pharmacists Mutual Insurance Company established the KPF Legacy Endowment Group (LEG). The purpose of the LEG is to establish a means of support for the Foundation to sustain our profession in Kansas.

Each day, we contribute to our families, friends, community and society. It is important to recognize that today's successes are built on past contributions and dedication. A legacy is created from past experiences. A legacy grows during both good times and challenging times. It helps enable an organization to sustain itself.

KPF exists to enhance the welfare and integrity of the profession of pharmacy. It provides a means to memorialize and extend individual commitment to Kansas pharmacy. Your contribution to the LEG is a way to have a direct and lasting impact on the pharmacy profession.

The LEG is comprised of individuals who wish to provide an affordable gift of life insurance to KPF. Your commitment of life insurance will provide a substantial deferred gift with modest annual contributions over twelve years. The annual premium is tax deductible as it is paid to KPF, an IRS approved 501 c (3) charitable organization. The LEG will help assure KPF the long-term reality of enriching and building the heritage of Kansas pharmacy. Each of these insurance policies will go to support the many goals and activities now and into the future.

How It Works

The life insurance policies will be issued to the members of this group based upon what a premium of \$500 will purchase at their current age and health. These premiums will be payable over a 12-year period. After 12 years the policies will be paid-up, meaning no future premiums will be due, but the policies will continue until the insured's death. Upon the death of the member, KPF will receive the proceeds to support the future of the KPF organization.

Recognition

LEG participants are recognized on a plaque permanently displayed at the Kansas Pharmacy Center and on the KPhA website (www.ksrx.org).

Cell: 913-901-7852

Activities & Projects

- Conduct public awareness programs emphasizing the value and services provided by pharmacists
- Provide educational training programs for the pharmacy technician community in Kansas
- Provide public forums or workshops to enhance the safety and effectiveness of medication therapy
- Provide research funds to the pharmacist community for studies for advanced pharmaceutical care services
- Provide recognition programs for pharmacists with innovative practices
- Provide education opportunities for Kansas pharmacy students such as internships, residencies, or young pharmacists' programs
- Encourage pharmacy student participation in pharmacy organizations through financial support for attendance at related meetings
- Support student recruitment programs for pharmacy school
- Provide a repository of public education materials and programs to support a Speaker's Bureau for practitioners
